## II International Conference Territorios de la Memoria

### **WOMEN'S FIGHT, REPRESSIVE MEASURES AND RESISTANCE. WALKING TOWARDS EQUALITY**

**17-20 November 2020**

### **II CIRCULAR (02/14/2020)**

Upon receipt of the numerous proposals and the merger of some of them due to the thematic similarity, we present through this II Circular the final relationship of the Tables-workshop accepted for the celebration of the Second International Conference Territorios de la Memoria - WOMEN'S FIGHT, REPRESSIVE MEASURES AND RESISTANCE. WALKING TOWARDS EQUALITY.

Likewise, we announce that the deadline for the delivery of communication proposals will be next May 10, 2020. The extension of the same will not exceed three hundred words in Word format. They must be sent both to the Organizing Committee ([segundo.congreso.tdm@uva.es](mailto:segundo.congreso.tdm@uva.es)) and to the coordinators of the workshop-table and may be written in any of the co-official Spanish languages , as well as in English, Portuguese, French, Italian or German.

The deadline for the coordinators to communicate to the organization and communicants what the proposals are accepted, concludes on June 15, 2020. The coordinators of each table will exercise the role of rapporteur, presenting the different communications and encouraging the debate. For this, the communicators must send the texts adjusted to the proposed norms to the coordinators as well as to the Organizing Committee. For more information about the Second Congress, the collective's website is available ([www.territoriosdelamemoria.es](http://www.territoriosdelamemoria.es)) and our social media (TW: [@territoriosmemo](#) and FB: [Territorios de la Memoria – España](#)).
