UPDATE - MAY 2020 (COVID-19)

II International Conference Territorios de la Memoria

WOMEN'S FIGHT, REPRESSIVE MEASURES AND RESISTANCE. WALKING TOWARDS EQUALITY

April 13th-16th, 2021

III CIRCULAR (May 8th, 2020)

The current emergency of Coronavirus (COVID-19) and the measures adopted by the Presidency of the Government and the Ministry of Health, lead us to postpone our conference. In this sense, Territories of Memory, organizer of the event, is fully committed to adopting measures related to the prevention and containment of COVID-19.

It is for this reason that the Organizing Committee of the Conference communicates through this new circular the decision to postpone this event, moving its celebration to April 13-16, 2021. However, it is important to remember that this postponement is subject to possible new changes that may be made by government authorities and agencies.

The modalities and the development of the Conference remain the same as in the previous circulars, with the only change regarding the delivery and participation times that are conditioned to what is stated below:

- 1) The submission of communication proposals is postponed, thereby establishing a new deadline, scheduled for **September 15th, 2020**. In this regard, it is recalled that their length will not exceed three hundred words in Word format. They must be sent both to the Organizing

Committee (segundo.congreso.tdm@uva.es) and to the coordinators and coordinators of the workshop table and may be written in any of the co-official languages of the Spanish State, as well as in English, Portuguese, French, Italian or German.

- 2) The new deadline for the coordinators to communicate to the organization and communicators, which are the accepted proposals, ends on **October 15th, 2020**. The coordinators of each table will exercise the role of rapporteur, presenting the different communications and encouraging debate. For this, the communicants must send both the coordinators and the Organizing Committee the texts adjusted to the proposed norms. We recall that for more information on the Second Congress, the collective's website (www.territoriosdelamemoria.es) and our social networks (TW: [@territoriosmemo](https://twitter.com/territoriosmemo) y FB: [Territorios de la Memoria – España](https://www.facebook.com/Territorios.de.la.Memoria)).

Likewise, among the novelties introduced by this **THIRD CIRCULAR**:

- 3) It is established that the deadline for sending the final texts, will be **March 1st, 2021**. This decision to advance the sending of the original texts with a certain time frame before the Conference, will allow the coordinators and coordinators establish the guidelines for study and debate for the development of the table.
- 4) It is confirmed that **Editorial Comares** (<https://www.comares.com>) will be responsible, in collaboration with the Organizing Committee, for the publication of unpublished texts presented at the Conference. For this, it is recalled that after the Conference there will be a specific time for sending the final text. If the author/s does NOT deliver this text in the established times, adapting it to the necessary changes, it will be published - as long as it is consider suitable for publication - the copy sent in the first term (03/01/2021).
- 5) It is established, therefore, that the editing standards used for unpublished texts are those of Editorial Comares. For this, we attach to this circular a PDF (available only in Spanish language) with the rules that each author/s will have to use in order to send the unpublished text.
